

Universal Energy Clearing

Quantum Activated Codes (QAC)

Animal Wellbeing

These QAC's are specifically designed for all animal wellbeing, from small pets up to large scale farms. All QAC's are designed for use with all radionics instruments and Quantum Broadcasters (direct broadcast).

All QAC's can also be copied into a liquid homeopathic substance and applied directly to the animals or added into the water system or into the feed.

Individual Animal Well-Being QACs - \$60 each

3-day Sickness

This QAC is used to work on Bovine Ephemeral Fever and also a preventative.

Allwormer Animals

This QAC is designed to control all worms in animals and break the worm cycle. Best used radionically and by copying it into water and add to water or feed.

Bloat

Reduces and eliminates gas. Balances digestion.

Dehorning

Reduces shock and infections to animal during process.

Energy align & balance

Use on entire herd or for an individual animal. Balances energy harmonizes the entire herd and environment. Reduces inside influences (bullies) and any outside sources which can cause any stress. Harmonizes animals and environment day and night.

Fertility Bull

Enhances bull fertility, activity and success during this period.

Fertility Cows

Increases all cow's conception rate, willingness and cycle. Creates bond with bull with healthy calves.

Flies, Stings, Bites, Itch

This QAC is best used radionically and also copied into water and added to the water source. Best used year around to establish better immunity against flies, stings, bites and itches.

Foot Abscess Livestock

This QAC is designed to increase the immune system to reduce all inflammation, infections or abscess.

Grief Animals

Reduces and eliminates any trauma not just emotionally but also physically, mentally and spiritually.

Past & Post Calving

This QAC is designed for help before, during and post calving. Helps with pain reduction, stress, muscle pain and other symptoms in regard to birth. Quick recovery after birth with no complications.

Pink Eye – Set of 2 QACs

This QAC is designed to reduce and eliminate pinkeye, which is a painful, debilitating condition that can severely affect animal productivity. Use when needed during the year to strengthen animal.

Respiratory Bovine Stress

Used in associated diseases or obstruction of the respiratory airway and tract system. Works also with the underlying infection agent to eliminate and stop these issues.

Scours

Used for all your animals to avoid any scours. Either broadcast or make up a liquid imprint and add it into feed source.

Shock – Injuries

This QAC is used to all accidents and injuries for all animals. Can also be part of birthing, shock or other stress issues.

Stress relief

This QAC is used to balance an entire herd or an individual animal. Influences can be environmental, weather, stress, calving etc. Can be used in conjunction with other QAC's. For example, De Horning, Mustering etc.

Weaning

Balances emotional, physical and mental stress during this period.

Yard work, loading & Transport

For safe and stress-free stock handling during mustering, yard work, loading and during transport.
